University Computer Club

Learn | Use | Meet | Play

A hub for technically-minded people for the past 40 years.

Check out our servers (we have 140 cpu threads and ½ TB of RAM), create VMs, and host your own sites.
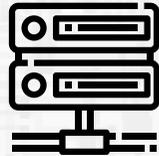

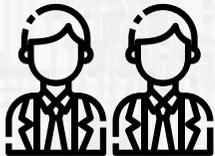

Come to one of the many tech events we put on throughout the year. Learn about linux and much more!

We have the fastest internet on campus — a **Gigabit** connection. Use it on any of our desktop computers.
